New Palestine October 2025

Hours of operation: M – F 5:30 a.m. - 9:00 p.m.; Sat 7:00 a.m. - 5:00 p.m.; Sun 8:00 a.m. - 5:00 p.m.

Jungle Club Hours: Monday-Friday 8:00am-1:00pm and 4:00pm-8:00pm | Saturday and Sunday 8:00am-Noon

Aqua Tabata - A HIIT in the water. Participants use maximal effort for 20 seconds and recover for 10 seconds for 8 rounds of work. Resistance equipment may or may not be used. All levels can benefit from this class.

Aquatic Stretch - Incorporates the soothing warmth of a heated pool to create a safe, ideal environment for relieving pain and stiffness. Gentle movements increase joint flexibility and range of motion.

Barbell Blast - Get your body shredded! This is a high-energy 50-minute class incorporating sculpting intervals followed by hard core abdominal training. This will help to lose body fat and increase strength.

Barre - a low-impact exercise class that combines elements of ballet, yoga, Pilates, and strength training

Body Sculpt -Weights, bands and resistance balls to create a muscle conditioning and strength training workout that will tone muscle and burn fat!

Body Burn 45 - An 45 minute strength class! Expect a full body burn using weights, bands and gliders. Low impact. Any fitness level welcome!

Boxing - Combination of boxing and weighted exercises. This class will incorporate HIIT, obstacles and cardio drills. Wraps & gloves needed for class - the gym has these for purchase at front desk if needed.

Box 'n Bells - Combination of boxing and kettlebells. This class will incorporate HIIT, obstacles and cardio drills. Wraps & gloves needed for class - the gym has these for purchase at front desk if needed.

Cardio Combo - Get your body shredded! This is a high-energy 50-minute class incorporating cardio and sculpting intervals followed by hard core abdominal training. This will help to lose body fat, increase cardiovascular efficiency, and increase strength.

Cardio Kick - A strength interval class with high intensity. Modification are shown for beginner level participants. Circuit Strength: Circuit class is a station based muscular, strength & endurance class which alternates muscle groups for a full body workout.

Cardio Power - A nonstop HIIT style workout that is guaranteed to get your heart rate up, body sweaty and burn fat!

Circ Mobility - A comprehensive approach that combines flexibility, mobility, breathwork, and mindfulness inspired by yoga, Pilates, and Tai Chi to improve range of motion and relieve stress.

Core Blast 30 - A quick 30 minutes for strengthening and conditioning of the core muscles surrounding the middle of the body—the abdomen, hips, pelvis, and lower back. These muscles protect the spine and are responsible for stabilizing and balancing the body during movement.

Cycling - Gear it up! Ride into high gear with this incredible and exhilarating stationary bike class. Instructors will show you various intensity options.

Cyle Express 30 - A intensity class for all levels.

Dance Fitness - Basic Cardio and Fitness moves infused into mini dances to a plethora of music styles.

Friday Stretch - This class will be a combination of yoga poses and flow, with dynamic and static stretching to make you "feel good"! For all levels of fitness.

FitXAF - Fit Extreme & Fun...An intense workout focused on strength training, aerobic fitness, and core exercises. Multiple formats and equipment will be used including dumbbells, assault bikes, rowers, bands, medicine balls, and bodyweight training.

Forever Fit - Sculpt and tone those muscles in Forever Fit. A 50-minute class incorporating bands and balls to strengthen upper and lower body. Each instructor formats class a little different. Expect tabata style from some or a strength focus from others.

H.I.I.T. 2B Fit - A form of interval training, a cardio class that involves alternating short periods of intense anaerobic exercise with less intense recovery periods.

Hydro Sculpt - The aqua circuit program enables just about anyone to work out in the water regardless of fitness level, as each individual works at a level that suits their body on each of the stations. A cardio class presented in intervals along with conditioning. You will receive cardiovascular and strength training benefits in one.

Ignite - Located in the CrossFit space. This high intensity class will include many options for interval training cardio to improve your cardiovascular system. This includes rowing, air bikes, ski erg, track for walking/running plus functional fitness movements. Class will range from 30 - 45 minutes each week (various times due to level of class intensity).

Kickboard Cardio Tone: After a dynamic warmup, class will use mainly a kickboard - and at times a noodle/dumbbell for variety - to increase drag and resistance in the water to strengthen cardiovascular endurance and tone muscles simultaneously. A very challenging workout with maximum calorie burn. Limited to 22 spots due to kickboards!

Matwork - This class involves a series of classical Pilates exercises. Each exercise emphasizes breath, core conditioning, and body awareness. Instructors will pay special attention to alignment and form. Props may be used to add challenge or assistance throughout the class.

METCON Mix - Meet us in either the treadmill studio or CrossFit space for a high intensity format with machines, dumbbells, jump ropes and boxes!

Pilates - Lose inches in your waistline! Learn how to strengthen and tone your chest, back, abdominals, hips and thighs.

PIYo - Yoga and Pilates inspired workout using only your body weight, to build strength, flexibility, and muscle tone.

Solid Strength - After a 10 min. warm up, you will use weights, bands and resistance balls to create a muscle conditioning and strength training workout that will tone muscle and burn fat!

Step Blast - Traditional step moves reinvented into challenging combinations designed to challenge your feet, legs and mind.

Step Jam - A high energy fusion step class for all fitness levels with an emphasis on cardio endurance and strength.

Strength Cycle - 30 minutes advanced cycling + 30 minutes strength and cycling!

Senior Stretch - This class will have a more general in focus, targeting all major muscle groups through both static stretching (holding a position for a set amount of time) and dynamic stretching (moving through a range of motion that stretches your muscles).

Sunrise Stretch - Limber up from your head to your toes for 45 minutes in this guided practice that incorporates both dynamic and static stretching. Improve your balance and walk out of class with a looser back and increased range of motion!

Tabata - A HIIT (High Intensity Interval Training) class. Participants use maximal effort for 20 seconds and recover for 10 seconds for 8 rounds of work. This is both a cardio and strength workout.

Treadmill Pump: A high intensity interval training class. Alternating between the treadmill and strength training, you will work at your own pace while being challenged to take it to your next level.

Vinyasa Yoga - This class moves at a pace that is accessible to all. Expect cues with modifications that can help you to individualize your practice for the most benefit, with a focus on developing increased flexibility, balance, and strength.
